

KC-A40EUW

Airpurifier/humidifier with Plasmacluster ion technology

Sharp Air Purifiers combine patented Plasmacluster ion technology with True HEPA filtration, resulting in a healthier, fresher environment. Suppresses the effects of airborne viruses. Breaks down and removes airborne mold and suppresses the proliferation of adhering mold. Breaks down and removes allergens such as dust mite faeces and dead dust mites. Removes odors that adhered to curtains, sofas, and other objects.

Air Cleaning Programmes

A special programme that when used will rid the room of allergens like dust and pollen for those of a more sensitive nature.

Peace And Quiet

Due to the low sound levels in combination with a display that can be switched off, Sharp air purifiers are perfect for use in the bedroom, which provides clean air throughout the night while letting you sleep peacefully.

Plasmacluster®

Plasmacluster Ion System

Sharp's smart, patented system helps remove bad odours, allergens, bacteria, 99% of viruses and even dust mites in the air to penetrate the whole room including behind furniture and make sure your house always has a breath of fresh air.

Twice As Clean

Sharp uses ions, that seek out and remove particles from the air, and an industry standard filter, good enough to be used in hospitals, to get the air in your home twice as clean as it would be otherwise.

Key features

Applicable floor space (without humidifying) m ²	26
Inverter operation	Yes
Colour	No
Air purification system	high-density PCI generator and fan
Humidifying (mist) function	Yes
Max airflow capacity without humidifying (m ³ /hour)	216

Plasmacluster ion modes	Yes
Fan speeds	3 (Max/Med/Low)
Adjustable louvres	No
Timer	No
Noise level in cleaning mode high / mid / low	46/40/16

Dimensions and weight

Weight (kg)	8.1
-------------	-----

Measures (W x D x H) in mm	382x242x570
----------------------------	-------------

Humidification

Humidifying function	Yes
Max humidifying capacity (ml/hour)	450

Tank capacity (Litre)	3
-----------------------	---

Sensor

Odor	No
Dust	Yes
Temperature	Yes
Humidity	Yes

Sensitive adjustment	Yes
Automatic operation based on sensor(s)	Yes
Dust monitor	Yes

Special program

Ion Shower	Yes
Sentinel	No

Smoke	No
Pollen	Yes

Display

Clean sign indicator	Yes
Display ON/OFF button	Yes

Plasmacluster indicator light	Yes
Water tank indicator	Yes

Supplied accessories

Remote control	No
----------------	----

Filterset	Yes
-----------	-----

Filters

Pre-filter	Yes
Deodorization	yes, washable deodorizing
Mist filter or Humidification filter	Yes
HEPA filter	Yes

Filter life, HEPA, Active Carbon Filter	up to 10 years
Filter life, mist or humidification	up to 10 years

Power, consumption and voltage

Voltage/ frequency	220-240 V / 50/60 Hz
--------------------	----------------------

Standby power	0.9 W
---------------	-------

European article number

EAN Code	4974019764696
