

KC-A60EUW

Air purifier/humidifier with Plasmacluster ion technology

Air Purifier with high-density Plasmacluster technology, humidification function, unique airflow circulation and powerful air suction for home use. This appliance is recommended for a floor area of approx. 48 m².

Features

- For rooms up to 48m²
- Humidifier and air purifier
- Double air purification through filters and Plasmacluster ions
- Anti-bacterial Hepa filter with washable carbon filter
- Dust, temperature, odor and moisture sensors

Air Cleaning Programmes

A special programme that when used will rid the room of allergens like dust and pollen for those of a more sensitive nature.

Peace And Quiet

Due to the low sound levels in combination with a display than can be switched off, Sharp air purifiers are perfect for use in the bedroom, which provides clean air throughout the night while letting you sleep peacefully.

Plasmacluster®

Plasmacluster Ion System

Sharp's smart, patented system helps remove bad odours, allergens, bacteria, 99% of viruses and even dust mites in the air to penetrate the whole room including behind furniture and make sure your house always has a breath of fresh air.

Sensor Technology

By accurately measuring humidity, dust, smell and temperature in a room Sharp air purifiers keep the air clean by adjusting automatically.

Key features

Applicable floor space (without humidifying) m ²	48
Inverter operation	Yes
Colour	No
Air purification system	high-density PCI generator and fan
Humidifying (mist) function	Yes
Max airflow capacity without humidifying (m ³ /hour)	396

Plasmacluster ion modes	Yes
Fan speeds	3 (Max/Med/Low)
Adjustable louvres	No
Timer	No
Noise level in cleaning mode high / mid / low	49/40/19

Dimensions and weight

Weight (kg)	11
-------------	----

Measures (W x D x H) in mm	416x295x643
