

A3 LAMINATOR (OL580)

For use in home offices or offices with low to medium laminating volumes.

- High-quality, robust metal housing
- High laminating speed
- Processes 75-250 mic laminating films
- Hot and cold laminating
- Laminates photos and documents up to A3 size
- Stepless temperature control
- Easy to use
- 4-roller technology
- Auto-reverse function

Technische Daten	
Product	OL580
Mains voltage	AC 220-240 V~, 50 Hz
Power consumption	800W; 4,0A
Protection class	I ⏚
Preheating time	3-4 min
Laminating speed	420 mm / min
Lamination temperature	120°-180° C
Maximum laminating size (width)	A3, max. 330 mm
Roller mechanism	4 Rollen
Lamination	Kalt und Heißlaminierung, 75-250 mic
